Concessions

Waffle Cone Mix - Used in Ice Cream parlors for fresh cones that arouse interest from passers by when they smell the aroma passed off by newly made waffle cones.

Corndog Batter - Easy to use by just adding water and cooking until golden brown.

Fish Batter - Fish batters are available with seasoning (spicy, mild and plain) and come in a variety of styles (flake, English, Cajun and Tempura).

Fries Chicken Batters/Breading - Chicken batters are available with seasoning (spicy, mild and plain) and come in a variety of styles (flake, Cajun and crispy).

Seafood Batters/Breading – Available in spicy and crunchy formats with a variety of flavor and texture profiles. Used with fish, calamari, crab cakes, oysters, clams and shrimp.

Churro's Mix – A traditional Latin snack that is fried then sprinkled with sugar or filled with fruit, chocolate and custard for children of all ages.

Funnel Cake Mix – What is a visit to the local fair without this puffy favorite American snack covered in powdered sugar or honey?
